PETITION FOR WITHDRAWAL FROM ISSUE
UNDER 37 CFR 1.313

Dear Sir:

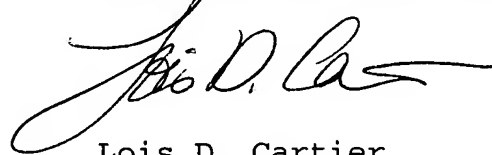

Applicant hereby petitions under 37 CFR 1.313 to withdraw from issuance the above-referenced patent application.

Applicant recently discovered a typographical error in the paperwork submitted with the filing of the above-referenced patent application as it relates to the serial number of the priority application. The transmittal letter and Application Data Sheet had the same typographical error. The priority Serial Number was presented as 09/805,533 when it should have been 09/805,553. Applicant respectfully submits that the correction of this inadvertent error in the priority claim constitutes good and sufficient reason why withdrawal of the present application from issue is necessary.

A separate Petition to Correct Priority of Application is also enclosed herewith.

The Commissioner is hereby authorized to charge the fee of \$130.00 under §1.17(h) and any additional fees, or credit any overpayment that may be required to Deposit Account No. 24-0040.

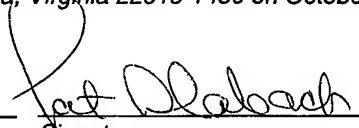

Respectfully submitted,

Lois D. Cartier
